

Piedmont College
4-year plan

Program: BS in Healthcare Administration

Program Mission Statement: The healthcare administration program seeks to prepare undergraduate students for careers as managers or leaders in healthcare-related organizations by providing the theoretical foundations for business administration, health science, and customer service for working with both healthy and clinical populations through exemplary classroom instruction. Furthermore, the program is dedicated to respecting individual diversity and engaging the community by exposing students to a variety of healthcare settings, practitioners, and patient populations.
